White Water Rafting

The troop is going white water rafting on the New River the weekend of September 25th. The deposit has been paid by Randall and 30 spots reserved. So far 15 have signed up. You must have passed the BSA Swim Test to go. If you would like to have a spot on this trip you must send a down payment of \$50 ASAP to Tommy George. The total cost will be \$105 per person, remainder due in September. This is first come – first served!

Football Concession

The Troop needs your help at the September 5 UNC Football Concession (6 PM game). We do not have enough people signed up yet. This is our main source of funds as a troop and if we can't staff our games we will lose our concession. Our game dates are: Sept 5, Oct 3, Oct 22 and Nov 7. We need volunteers to commit now. If everyone could mark their calendars and commit to helping at least one game (parents and older scouts!) it makes a huge difference to our troop. Please email Dan Owens at

ddowens@embarqmail.com or call 545-4448.
